MEDICAL CONSENT

Medical

Clip 'n Climb can be a physically demanding activity.

I confirm that no-one taking part has any medical conditions that may be made worse by climbing at Clip 'n Climb Braintree. This includes any neck, back, shoulder, hip, and knee injury, any one pregnant should take this into consideration as to whether they climb or not. If I have any concerns about myself or any member of the party I will seek advice from a member of staff. If in doubt **DO NOT** climb.

RISK FACTOR

Risk

Clip 'n Climb look after you by maintaining its equipment to a high standard, good quality staff training and providing insurance against a major incident or negligence.

Due to the physical nature of "Clip 'n Climb" minor injuries such as bumps, bruises and scrapes are common and are to be expected as normal.

I accept that minor injuries such as those outlined above and similar are likely and agree to indemnify Clip 'n Climb Braintree for claims relating to these under normal circumstances.

I understand that Clip 'n Climb Braintree is not responsible for the safe keeping or damage to belongings even when placed in the unsecure boxes provided for self-storage.

FOLLOW THE RULES

Instruction

I agree to follow the instruction that will be given to me in the Safety Briefing and to follow any verbal instructions from the Clip 'n Climb staff during the session. I will make sure that I or any member of my party under the age of 18 years old fully understands these instructions before I/we take part.
